Product Overview:

Sid Meier's Civilization® Revolution™ is the latest offering in the legendary award winning **Sid Meier's Civilization®** series of strategy games, featuring the famous "just one more turn" addictive gameplay that has made it one of the greatest game series of all time. **Sid Meier's Civilization Revolution** has been designed and built (by the legendary Sid Meier and his team at Firaxis) from the ground up for console and handheld game systems delivering graphics, gameplay and controls that take full advantage of the hugely popular gaming platforms.

Sid Meier's Civilization Revolution is a watershed game offering players a chance to experience the epic empire building world of **Civilization** in a whole new way – in an accessible, visually immersive, fast paced, action-packed world that gamers crave.

Franchise Overview:

Hall of Fame Game designer, Sid Meier, has been called "The Father of Computer Gaming" with such early hits as F-15 Stealth Fighter, Railroad Tycoon, and Pirates. He put computer gaming on the map, however, in 1991, when he delivered **Sid Meier's Civilization** to the gaming world, launching the "God Game" genre and creating one of the most award winning and addicting games on the planet. **Civilization** remains one of the world's top selling PC game series with over 8 million units sold and is recognized by the press as one of the greatest game franchises ever created.

In **Civilization**, players strive to become Ruler of the World by establishing and leading a civilization from the dawn of man into the space age waging war, conducting diplomacy, discovering technologies, going head-to-head with some of history's greatest leaders, and building the most powerful empire the world has ever known.

Features:

- **Handheld Game, Console Experience:** All of the units, Civilizations and gameplay mechanics have been brought to the Nintendo DS, ensuring a console-quality experience that fits in the palm of your hand
- **Conquer the World Anytime, Anywhere:** For the first time ever, the famously addictive “one more turn” formula comes to handhelds, allowing players to conquer the world anytime, anywhere
- **Choose Your Civ** – Choose from 16 Civilizations throughout history (from Africa to Germany to America to China) to lead to victory
- **Intense Combat** – Triple your strength by combining up to three units into one powerful army and destroy your enemies. When your units win tough battles, they will become veterans and then elites. You can then choose from a list of powerful upgrades that will give elite units even more strength to dominate in war
- **Intuitive Touch Screen Controls** – Simple and natural controls allow players to command massive armies, delegate tasks and build civilizations, all with the use of the stylus and buttons
- **Accessible for Newcomers and Longtime Fans:** Guided tutorials teach players the necessary tools that will put them on the fast track to global dominance
- **Game of the Week:** Each week a new Firaxis created map will become available for players to play, offering endless replayability
- **Furious Battles Locally and Over Wi-Fi:** Play up to three other friends in local wireless battles or challenge the world via Nintendo Wi-Fi Connection
